

**Winner of the 2016 Comp Laude™ Award for Nurse Case Manager is Annabel Velazquez.**

Velazquez has over 20 years of Catastrophic Nurse Case Manager experience and is Co-owner of Workers Rehabilitation, Inc. in Florida. Velazquez had been regarded by peers as one to truly go above and beyond for injured workers.

"I am very humbled to receive this recognition. Remember, each injured worker has a story. I am guided by a quote from Princess Diana: "Carry out a random act of kindness, with no expectation of reward, safe in the knowledge that one day someone might do the same for you."
